Sir,

Appointment of Mr.M.G.Visweswariah,M.B.B.S., as Medical Probationer.

- - -

With reference to Government Order No.M.7376-79/Med. 17-43-3 dated 23rd February 1944 sanctioning the appointment of Mr.B.K. Ramachandran, M.B.B.S., and nine others as temporary Medical Probationers against the available vacancies, I have the honour to state that Mr.Ramachandran has not joined duty here so far. He represents that he is now employed as a Civilian Medical Officer (C.M.P.) in the Indian Army and is attached as a Medical Officer to the Combined General Hospital, Waltair, and that he is therefore unable to join duty here. He further requested that he may be permitted to retain his lien on the appointment as a Medical Probationer and to take up this post after the termination of War. This request, which is inadmissible, has been refused. A vacancy has thus arisen in the cadre of Medical Probationers. I recommend that Mr.M.G. Visweswariah, who has been serving in the Medical Department as a Passed Sub Assistant Surgeon for over 5 years be appointed as a temporary Medical Probationer on Rs.80/- per mensem in the vacancy released by Mr.Ramachandran. The question of appointing Mr.Visweswariah as a Medical Probationer had already been proposed in this office letter No. G.C.1957-35 dated 18th January 1944 along with that of Mr.S. Ramachandra, M.B.B.S., As there is urgent need for the services of Medical Probationers, I request early orders.

I have the honour to be,

In inviting reference to my letter No.C. 2366-14/ dated 3rd November 1944 recommending the appointment of eight medical Probationers against the available vacancies, I write to inform that one of the candidates -Mr.B.R.Jagannatha Iyengar, B.Sc., M.B.B.S., has this days sent in his resignation to the post of House-surgeon and has also requested that his application for the post of Medical Probationer be treated as withdrawn. If the appointment of Medical Probationers is delayed, I am afraid, some more candidates may withdraw their applications and the dearth of hands in the Department will continue. I therefore request you to obtain very early orders of Government, sanctioning the appointments of Medical Probationers already proposed.
